G.T.Enterprises
Open Space For Open Source

A PROFILE
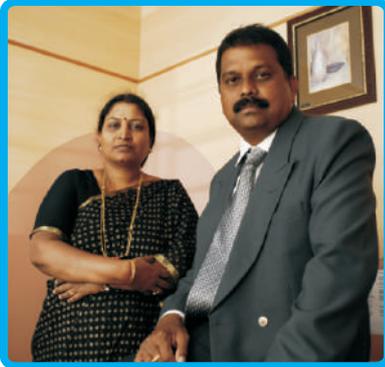

G.T.Enterprises popularly known as GTE is established by Mrs.& Mr. Taranath during the early 1990's having envisaged the growth of IT sector in India. Mrs. Geetha Taranath qualified with Degree in Economics and coming from a business family has proven her entrepreneurial skills. Mr. U.M. Taranath has the honor of serving the Nation in the Indian Navy & PSUs for over 20 years is gifted with vision and has overall 35 years of industry experience. Humble beginning was made by introducing the then Open Source Software products popularly known as FOSS. Soon GTE has expanded it's foray to technology services to reach many verticals in the industry. GTE has always kept abreast of new developments in the industry. Today GTE is a Multi-Million Dollar company having grown in a short span of time due to hard work, ethical business principles and enterprising nature of the promoters.

In its tenure of 20 years, GTE has been instrumental and a pioneer in introducing New & Innovative Technologies to the Indian market. FOSS – OS and Virtualization are such products introduced by GTE in the quest of newer technologies. Today GTE's core business is FOSS, Virtualization, Storage, Cloud, HPC, RDBMS, IDEs & Testing Tools, Mobile Technology, Enterprise Solutions and Customized software development.

GTE's esteemed customers are from many sectors such as ITES, MNC's, Government, Defense R&D and Production, Research & Scientific Institutes, PSUs, BFSI, Oil & Gas, Aerospace, Health Care, Consumer Electronics, Automobile and many more.

A core group of highly talented, committed, experienced professionals form the backbone of the company providing vision for the future exponential growth. The team's **Mission** "committed to progressively initiate innovative technologies by providing customers with cutting-edge solution that supports customer to turn their concept a reality and make significant and lasting impact, by providing end-to-end solutions right from consultation, Proof of Concept, and implementation to orientation", we shall achieve this by :-

☞ Building and maintaining long term customer relations, Setting best practice standards in our services, continuously improving performance and exceeding the expectation of customer.

☞ Consistently invest in latest technologies and infrastructure to match industry benchmarks.

☞ Training and developing the best human potential, to translate the positive intention into tangible results.

GTE with its head office at Bengaluru owns latest infrastructural facility for its technical division and training center both in Bengaluru and Mysore. Besides two state-of-the-art Virtualization Training Facilities in USA & Bengaluru. GTE has developed a network comprising of partners and associates in all the major cities to serve the customer across the country covering Product, Services and Training, also re-exports products and services to APAC, ME and African Continents.

GTE's Business Mantra is

Sale ➡ Service ➡ Training ➡ Gratified Customer

GTE's Solutions

Enterprise & Infrastructure Management Solutions

GTE is a Technology oriented company, always focused on IT Services. GTE has over 14 years of experience in providing end-to-end solutions and post implementation support on the following :-

Enterprise Solutions :- VMware, Citrix, RedHat, Microsoft, Amazon Web Services

- ❍ Proof of Concept ❍ Design & Planning ❍ Software Defined Datacenter ❍ Server Consolidation & Migration
- ❍ Cloud Infrastructure ❍ Disaster Recovery ❍ Clustering ❍ Storage & Backup ❍ Application based solutions
- ❍ Post Implementation Support

Infrastructure Management Services :-

We do provide qualified/certified resources to meet the customer requirements on the following technologies :-

Virtualization, Storage, Cloud, Networking :- Covering both on-site Resources & Remote Management Services

Software Tools & High Performance Computing Solutions

GTE is associated with technology providers throughout the world on HPC, Scientific & Research, IDE & Software Testing.

Scientific & Research Services :- Wolfram Mathematica, System Modeler

- ❍ Proof of Concept ❍ Remote & on-site installation ❍ User portal remote support ❍ Orientation/ Training

IDE & Testing Tools :- Qt Company, Froglogic Squish, Ranorex

- ❍ Proof of Concept ❍ Installation ❍ Remote & on-site support ❍ Simulation ❍ Orientation/ Training

High Performance Computing Solutions :- PGI, Intel, Absoft, Lahey, ScaleMP, Totalview, NVIDIA, Bright Computing

- ❍ Installation of HPC Products with/ without CUDA ❍ GPU Cluster Installation ❍ Implementation of monitoring tools
- ❍ Network settings ❍ MPI setup ❍ Installation and implementation of MPI & Application along with Job Scripts
- ❍ Application Benchmarking ❍ Performance Tuning ❍ Disaster Recovery ❍ Troubleshooting ❍ Orientation/ Training

Software Development Solutions

GTE offers consultancy services on software application development. Our capabilities include but not limited to C, C++, Qt, Java, PHP, .Net/MFC and Android technologies supporting both local and offshore clients. Below are our offerings:-

- ❍ Proof of Concept ❍ Design Specifications
- ❍ UI Development ❍ Migration ❍ Porting

Training Solutions

GTE is also focused on training and is Authorised Training Partner for VMware, Citrix, EMC[2], Qt Company, Red Hat, Amazon Web Services, Wolfram – Mathematica, HPC - Portland Group Inc., NVIDIA (CUDA C and CUDA FORTRAN), EnterpriseDB, IBM Avnet and Salesforce.

Database Solutions

GTE offers database implementation service for businesses of all sizes. GTE experts are certified and highly-trained on various databases like EnterpriseDB (PgSQL), MySQL, Oracle, MongoDB and Hadoop. Our database services include :-

- ❍ Migration ❍ Porting ❍ Single Master Replication
- ❍ Multi Master Replication ❍ DR Site Implementation
- ❍ Performance Tuning ❍ Backup & Recovery
- ❍ Monitoring

E-ODC \ OSC \ NOC

GTE offers Exclusive Offshore Development/ Service Center for their Partners to start Development/ Support operations in India.

- ❍ Exclusive Resources ❍ Recruitment process
- ❍ Employment & Social Security ❍ Infrastructure
- ❍ Performance Monitoring ❍ Quality Solution

GTE's Products List

Virtualization Products :-
○ VMware   ○ Citrix   ○ Microsoft   ○ ThinLinc
○ 2X   ○ Open-E

Operating Systems :-
○ RedHat   ○ Novel SUSE   ○ Microsoft

Network Solutions :-
○ Cisco   ○ Brocade   ○ Juniper

Cloud Solutions :-
○ VMware   ○ Amazon   ○ Citrix   ○ Puppet Labs
○ IBM Softlayer

Infrastructure & Operation Management :-
○ VMware   ○ Veeam   ○ Microsoft
○ Scalix   ○ Zimbra

High Performance Computing :-
○ Totalview   ○ Intel   ○ Lahey   ○ Bright Computing
○ PGI   ○ NVIDIA   ○ Absoft   ○ ScaleMP

Scientific - Computational :- WOLFRAM
○ Mathematica   ○ SystemModeler

Software Tools :-
○ Qt   ○ Squish   ○ Ranorex   ○ GINO Graphics

Database & Big Data Tools :-
○ EnterpriseDB-PostgreSQL   ○ MySQL   ○ Ingres
○ Hadoop   ○ MongoDB

Applications :-
○ CodeWeavers CrossOver   ○ Zend   ○ JBoss
○ Nginix

Registrations

☞ Registered with Government of Karnataka as Information Technology Company (Dept. of IT, BT and S&T).

☞ Member of **Indo American Chamber of Commerce, Bangalore**.

☞ Registered under MSMED Act of 2006.

☞ Registered under Duns & Bradstreet Information Services India (D&B) with D&B D-U-N-S Number: 918146911.

"Entrepreneurial spirit, exemplary Performance, and high ethical standards have made GTE an Outstanding Organisation"

Acheivements and Recognition

☞ Inceptive VMware Partner in India since 1998.
